

MADMAN

*It takes a **MADMAN** to create a bold, rich and engaging wine like this. Blending three different varietals into an unheard-of combination of aromas, flavors and textures. Aged in a combination of stainless steel and neutral oak barrels.*

It is rare in the wine world for there to be a truly innovative wine created. Using the bounty of California's North Coast, we blended Gewurztraminer, Chardonnay and Sauvignon Blanc into this compelling wine. Who would do this? I would.

- The Madman - The Winemaker - David Rossi

TASTING NOTES

Pale gold in the glass. Features engaging aromas of citrus, gooseberry and rose. Flavors of apple, grapefruit, lychee, and kiwi. The bright acidity and silky texture creates an engaging wine with depth and complexity.
